WELCOME MESSAGE

Dear Prospective Students and Parents,
We are delighted to welcome you into the world of
Vaatia College Makurdi, where education transcends
traditional boundaries and becomes a transformative
journey of personal and intellectual discovery.

We see education as more than the mere transmission
of information—it is a powerful pathway to
self-understanding, growth, and preparation for life's
most significant challenges.

Our commitment extends beyond academic excellence.
We are dedicated to nurturing future leaders and
responsible global citizens through a holistic approach
that balances rigorous learning with personalized
support. By integrating comprehensive classroom
instruction, dynamic co-curricular activities, and
targeted skill development programs, we empower
students to develop critical thinking, self-reliance, and
practical competencies that extend far beyond
traditional academic learning.

We believe in developing the whole person.

Through our innovative House and Club Systems,
we create platforms for healthy competition,
collaboration, and personal growth. These structured
environments are designed to cultivate confidence,
discipline, and mutual respect, preparing our students
to become adaptable, responsible citizens capable of
thriving in diverse and challenging environments.

As you explore our prospectus, I invite you to envision
yourself as part of our vibrant academic community.
At Vaatia College, education is not just about what you
learn, but about who you become.

Warmest regards,
Tavershima Vaatia

VCM LEARNING ENVIRONMENTS

CLASSROOMS

The College has 12 well-lit and ventilated classrooms with an average class size of 25 learners. The student-teacher ratio of 6:1 supports individualized attention and effective learning

ONLINE LEARNING

The College has a partnership with Google to provide various applications for education. We have an online learning platform (VCM Google Classroom)

Our students and teachers have access to a suite of tools that can help them increase opportunities for critical thinking, communication, collaboration, and creativity, all while supporting the intended learning objectives.

AUGMENTED REALITY (AR)

Vaatia College Makurdi leverages VR/AR technology to create immersive learning environments. Using computers and VR headsets, students interact with 3D content across science, mathematics, and history curricula. This technology enables complex concept visualization, virtual exploration, and guided skill and engagement.

INTERNET COVERAGE

The College uses Starlink as a reliable internet service provider and the coverage extends up to 80% of the College premises. The internet is used by both staff and students to support learning.

SCIENCE LABORATORIES

Two fully equipped science laboratories provide hands-on, multidisciplinary experimental learning, bridging theoretical knowledge with practical skills development through modern scientific instruments and immersive research experiences.

LIBRARY AND RESOURCE CENTRES

The library offers a comprehensive learning ecosystem with an extensive physical book collection, complemented by a digital e-library providing access to online academic journals and research platforms.

These resources support independent research, self-directed learning, and academic exploration across multiple disciplines through both traditional and digital means.

SPORTS FACILITIES

The sports facilities at the College promote physical and mental fitness, competitive skills, and team spirit. At VCM, the students have access to

1. A Football Pitch
2. Two Basketball Courts
3. Two Badminton Courts (Indoors)
4. Chess Boards
5. Two Handball Courts
6. Two Table Tennis Boards
7. Two Tennis Courts
8. Scrabble Boards
9. Two Squash Courts
10. Two Volleyball Courts

Students are required to bring their own sports equipment, while the college provides balls and shuttlecocks. Sharing personal clothing and equipment is discouraged for health reasons.

BOARDING FACILITIES

HOSTEL ACCOMMODATION

Vaatia College is a fully boarding school, with all students residing in on-campus hostels. The hostels are equipped with beds, wardrobes, bathrooms, toilets, laundry space, and reliable water and power supply.

Hostel staff, including the Boarding Master, House Parents, Porters, and Matrons, ensure cleanliness, orderliness, and safety. Boys and girls have separate hostels, and entry into the opposite gender's hostel is strictly prohibited.

HOUSE SYSTEM

The College has four houses—Blue, Green, Red, and Yellow—which promote teamwork, healthy competition, and cross-age bonding through sports and social events.

House Captains and House Parents oversee the welfare of house members.

MEALS

Meals are provided by the College, under a qualified caterer's supervision, and served four times daily in the dining hall.

The food, based on Nigerian cuisine, is planned by a nutritionist. College staff eat the same meals as students to ensure quality.

Students are not allowed to bring food onto campus.

HAIR

Junior secondary girls and all boys must maintain short hair. Senior secondary girls may grow their hair but must keep it plaited and neat. Woolly hair extensions are permitted for senior girls. Barbers visit the College bi-weekly.

LAUNDRY SERVICES

The College laundry staff handles students' laundry, except for inner wear, sportswear, and bed sheets, which students must wash. Laundry lines are available, and laundry days must be observed.

ANTI-BULLYING POLICY

The College maintains a zero-tolerance policy for bullying, ensuring a safe and respectful learning environment. Students who experience or witness bullying are encouraged to report it. Disciplinary actions will follow after a thorough investigation.

BOARDING HOUSE REQUIREMENTS

All boarding items must be provided according to the official list, with each item clearly labelled. Staff will verify these items during check-in. Having incomplete items will make it challenging for students to adjust to boarding life. Please stick strictly to the list - do not bring extra items. Any additional items not included on the list must be declared during check-in. Undeclared items will be considered contraband and dealt with accordingly.

STUDENT SUPPORT

STUDENT HEALTH, SAFETY AND WELFARE

The health and safety of our students and staff are our highest priority. We have a functional sickbay within the College premises for first aid treatment and with Madonna Hospital Makurdi for more extensive medical care.

Parents will be notified promptly of any serious student health concerns, especially those requiring hospitalization. It is essential that parents inform the College at the start of each term about any student medical conditions, including scheduled medical appointments.

Parents must also provide written documentation of any student allergies (food or other), accompanied by a medical report.

Students at Vaatia College are expected to maintain good personal hygiene, including adequate rest and exercise. Students share responsibility for keeping their living spaces, restrooms, classrooms, and surrounding areas clean, with supervision and support from house parents.

COUNSELLING SERVICES

All college staff members contribute to student care, with a dedicated guidance and counseling unit providing specialized support for students facing challenges. Academic assistance is available through extra lessons, catch-up classes, and academic advising to help students with course selection, career planning, and higher education opportunities.

The college also fosters social skills development, crucial in the close-knit boarding environment, and maintains open communication with parents regarding student progress and well-being.

CLOSE CIRCUIT TELEVISION (CCTV) REMOTE VIEWING

CCTV surveillance cameras are stationed at strategic locations within the College premises to closely monitor activities of members of the College community.

CO-CURRICULAR ACTIVITIES

Beyond the classroom, Vaatia College enriches student development through diverse co-curricular activities and clubs, supported by state-of-the-art facilities and equipment.

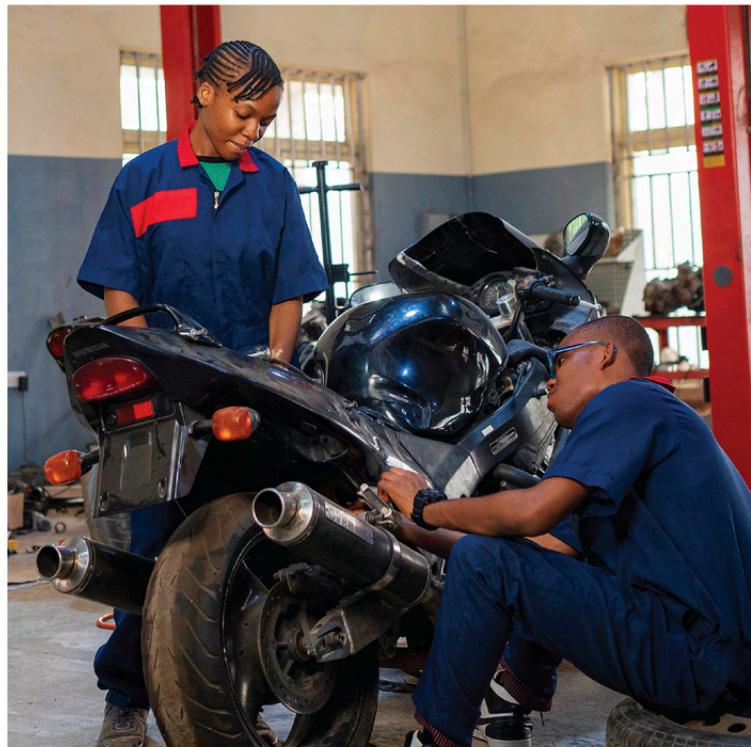

Our comprehensive program builds essential skills while fostering strong social and moral values among students.

Through active participation, students develop confidence, physical fitness, and creative abilities while discovering new talents and learning valuable leadership and teamwork skills.

These excursions also help them gain a deeper understanding of the diverse, multicultural world. Before such trips take place, we ensure student safety is prioritized and obtain parental consent when the trips involve traveling outside Makurdi.

LEADERSHIP OPPORTUNITIES

To help students enhance their organizational, communication, and problem-solving skills, all while preparing them for future careers, the College provides leadership opportunities such as:

- Being members of the Student Parliament
- Class, Club and Sports Team Captaincy
- Students in SSS 2 participate in the Citizenship & Leadership Training Programme at the Mountain School, Shere Hills, Jos Plateau State before they are given the role of school prefects.

THE PARENT-TEACHER ASSOCIATION (P.T.A)

The Parents Teachers Association (PTA) at Vaatia College welcomes all parents of enrolled students as automatic members.

The PTA Executive Committee consists of both College staff and parents. Throughout the year, the Association undertakes various projects to benefit the College community. Meetings are held each term on vacation days, where members discuss College-related matters.

The College values parent involvement and encourages constructive feedback from PTA members at any time.

P.T.A TRUST FUND

Vaatia College's PTA Trust Fund is a mandatory educational insurance scheme managed by the P.T.A. The Fund ensures that students can complete their education at Vaatia College if their sponsor passes away.

All parents/guardians must pay the premium each term to maintain this coverage.

STUDENT TESTIMONIALS

VCM offers exceptional student development through regular outdoor games and skill acquisition classes that build physical abilities, mental strength, and specialized talents like singing.

The school creates a supportive environment through dedicated teachers and cultural celebrations that foster talent showcasing, cultural unity, and comprehensive personal growth.

- **EBUTE SAMANTHA
(JSS 1B)**

Vaatia College has significantly impacted my life through its high academic standards and disciplinary approach, building my educational foundation for over a year. I feel privileged to study at such a prestigious institution that has taught me to learn from instruction rather than experience, an opportunity many of my peers lack.

- **NGOBAR MARVIS
(JSS 2B)**

Vaatia College has earned my appreciation for teaching valuable life lessons while providing a DISCIPLINED, inclusive environment with high educational standards, excellent facilities, anti-bullying policies, and diverse activities that develop lifelong skills.

- **AHENJIR SENENGE
(JSS 3 B)**

My experience at Vaatia College Makurdi has been truly valuable. I have met a lot of nice people and learnt a lot of new things. The institution offers excellent resources including computer facilities and well-equipped laboratories that enhance the learning process, alongside sporting amenities that develop both physical wellness and mental sharpness.

- **OKPANACHI DORCAS (SSS 1A)**

Vaatia College Makurdi: where dreams come alive, hopes see light, and education thrives through knowledge and service. To encourage students, the school signs students up for scholarships, foreign exchange programmes and competitions with other schools.

- **HASSAN FAHAD (SSS 2B)**

Vaatia College Makurdi is a learning institution that instills time management and diligence through structured student activities. The college focuses on both academic performance and character development.

- **SHANKYULA ORBEM VICTOR (SSS 3A)**

Despite challenges, being a student at Vaatia College has been transformative, profoundly shaping my identity and providing me with a strong educational foundation. The College has taught me valuable life skills, including perseverance, endurance, tolerance, and leadership, and I'm deeply grateful for these unique opportunities that make Vaatia College incomparable to any other institution.

- **ONUH ADAEZE AGATHA (SSS 3A)**

Vaatia College Makurdi is much more than just a co-educational learning institution, it is a journey that when embarked on with open-mindedness and curiosity, builds in one such an understanding of others and a desire for greatness that he or she would never have known otherwise.

- **KAJO SEDOO OSISE (SSS 3A)**

Studying in VCM is an opportunity no one should miss. The school provides a supportive learning environment that helps students discover their potential and access new possibilities. While I faced challenges during my time there, these obstacles ultimately motivated my growth, teaching me resilience and the importance of maintaining an open heart when navigating life's complexities - a testament to VCM's excellent developmental approach.

- **EJERE -UKEJE GRACE (SSS 3B)**

Vaatia College has helped me to learn how to avoid trouble. I have also learnt how to control my emotions and the benefits of teamwork.

- **BURBWA MIRABEL (SSS 3A)**

My journey at VCM has been truly exceptional despite the numerous challenges faced along the way, which my friends and I overcame together as a team. I'm grateful to VCM for exposing me to countless new opportunities and helping me forge lifelong friendships that I'll always treasure.

- **GWONG FAVOUR MADOR (SSS 3B)**

At Vaatia College Makurdi, I learned many new skills thanks to their outstanding skills acquisition centres. Their great sports facilities also helped me become much better at sports than I was before.

- **AKAAZA SEWUESE (SSS 3B)**

Vaatia College has opened my mind to innovative thinking and has helped me prepare for the future better.
